Details Assembly

Apply a SMALL AMOUNT of EASY TREAT to the INSIDE surface of the KONG toy. Hold toy with the large hole upright. Place index finger on the nozzle, turn the can upside down at a 45 angle, insert the nozzle into the KONG and press carefully for one to two seconds. Some KONG toys have OUTSIDE grooves that may be filled with a SMALL AMOUNT of EASY TREAT.

Details Warning

Store at room temperature. No refrigeration necessary. Clean KONG toy after each use.
CAUTION: CONTENTS UNDER PRESSURE. DO NOT PUNCTURE OR EXPOSE TO EXCESSIVE HEAT.
